## AT-A-GLANCE

# CBO-TO-CREDENTIAL TYPOLOGY

### Type 1

**CBO** offers the full credentialing pathway, start to finish.

### Type 2

**CBO** offers the full credentialing experience. A **higher education partner** validates the learning and awards the credential.

### Type 3

**CBO** offers the full range of support services and **partners with a higher education partner** to provide the learning and training. The **higher education institution** awards the credential.

### Type 4

**CBO** gets the adult ready for the credential and offers ongoing support. The **higher education partner** provides the learning and training, awarding the credential.

### Type 5

**CBO** gets the adult ready for the credential and **offers some ongoing support services** in **partnership with the higher education institution**. The **higher education institution** provides all the learning and training, awarding the credential.

### Type 6

**CBO** gets the adult ready for the credential and transitions the adult to the **higher education partner** to provide all ongoing support, learning and training, and to award the credential.
