COMPLETE THE BUILDING PATHWAYS BUILDING TRADES PRE-APPRENTICESHIP PROGRAM

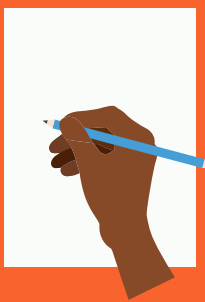

Free 6-week program gives a hands-on introduction to different building trades, *including* electrician, and prepares you for placement in a union apprenticeship. Program is held 3 times a year in spring, fall, and winter, Mon - Fri, 7 AM - 3:30 PM. Show up every day and on time, have a positive attitude, and work hard. Women encouraged to apply!

TO APPLY, YOU MUST:

- Be age 18 or older, drug free, physically able to work in construction, and a licensed driver
 - Attend an information session to learn about the full application process and support services offered
 - Have a high school diploma or equivalent
- Call 617-282-2242 for more information.**

Or Here

APPLY TO THE GREATER BOSTON JATC'S ELECTRICAL APPRENTICESHIP PROGRAM

Applications are accepted once a year, usually in the fall.

Go to the website for application requirements or call 617-436-0980.

COMPLETE YOUR 5-YEAR ELECTRICAL APPRENTICESHIP TRAINING

PROGRAM PAYS YOU TO LEARN

UNION MEMBERSHIP

BENEFITS

- Over 5 years, you'll complete 10,000 hours of on-the-job training with experienced journeypersons, plus 1,000 hours of classroom instruction.
- In your first year as an apprentice, you'll make 40 percent of a journeyperson's wage - currently \$18+/hr. This will increase as you advance through training!
- Once you've completed certain requirements, you can take an exam to become a licensed journeyperson electrician.
- Upon graduation you'll be eligible to receive college credit for your training.

BECOME A JOURNEYPERSON ELECTRICIAN AND GROW YOUR CAREER

- As of April 2016, NECA/IBEW Union journeypersons in Boston earn over \$46 an hour!
- They also receive great benefits including medical, dental, vision, and retirement.
- You can choose to grow your career by earning your Master Electrician license and/or an associate's, bachelor's or higher degree.
