Looking into your crystal ball... will your state policymakers make any significant changes to education or workforce development policy in the next two years?

Yes (and it will help our work)

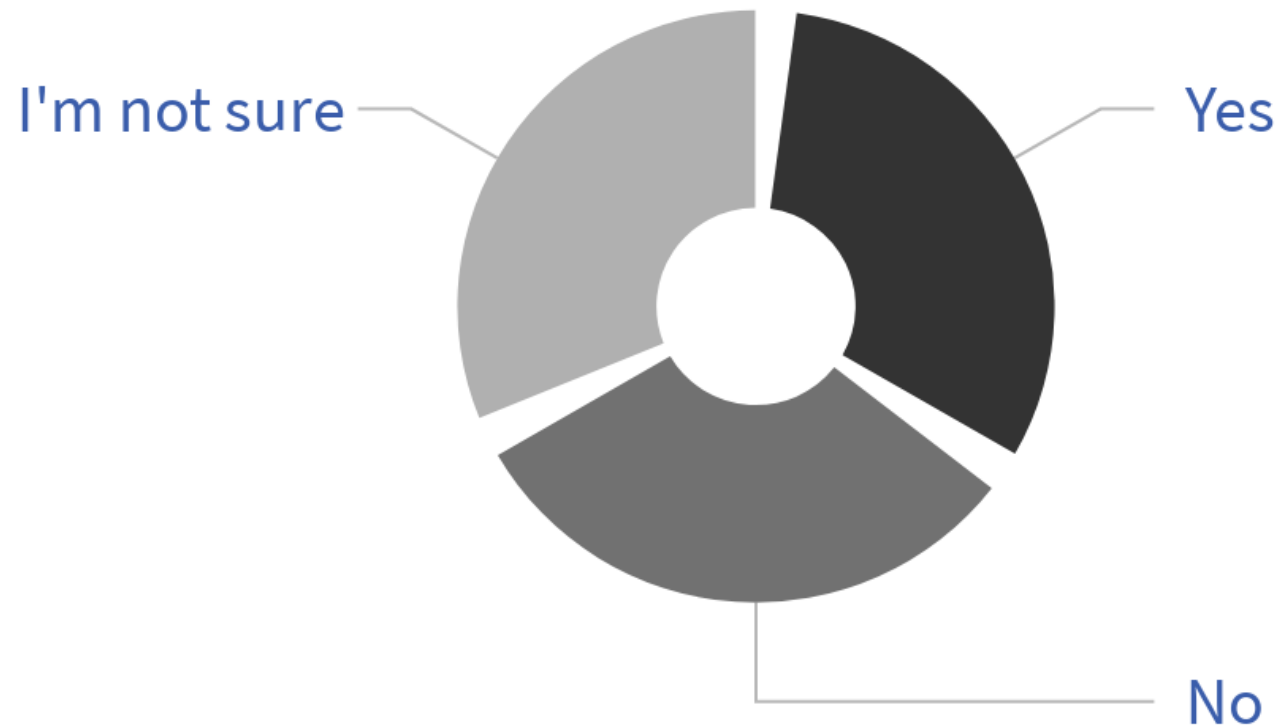

Yes (and it will be harmful)

No (and that's ok)

No (but they should)

Did you have a new governor, state legislator, or member of Congress elected in 2018?

Yes A No B I'm not sure C

The background of the image is a dark navy blue, featuring a bokeh effect of out-of-focus lights. There are several bright orange and yellow circular light spots scattered across the upper half, and a few smaller, more distinct red circular light spots in the lower half. The overall effect is reminiscent of city lights at night or a festive light display.
