

**District Implementation Plans for SECEP 2015-2016**

**School: Ypsilanti Community Schools**

**Design Principle: High School – College Collaboration**

**Work Team: Trish Thomas, Linda Blakey, LFG, Ashley**

Current Level of Implementation	Number of Students	What do we want to make progress on in the implementation of this principle?	What professional development do you need?	What school structure do you need to put in place?	What resources will you use?	Who is accountable?	What evidence will you have to know if you have achieved your goal?
